PROCEEDINGS

OF THE

STOCKHOLDERS

OF THE

CHESAPEAKE AND OHIO CANAL COMPANY,

IN

GENERAL MEETINGS DURING THE YEAR 1844.

ANNAPOLIS, MARYLAND, January 16th, 1845.

To the Honorable

The Legislature of Maryland,

GENTLEMEN:—We have the honor to submit herewith, a certified copy of the Journal of the Stockholders of the Chesapeake and Ohio Canal Company during the past year as the report of our proceedings, in relation to the affairs of that company.

We have the honor to be,

With the highest respect,

Your obedient servant's

SAMUEL SPRIGG,

TENCH TILGHMAN,

A. B. DAVIS.

Agents to represent the State in all Joint Stock Companies.

PROCEEDINGS.

OFFICE OF THE CHESAPEAKE AND OHIO CANAL COMPANY,

Frederick, Monday, June 3rd, 1844.

Pursuant to the charter of the Chesapeake and Ohio Canal Company, the 16th annual general meeting of the Stockholders of said company, was held this day at the office of said company in Frederick.

Present—The State of Maryland, by Gov. S. Sprigg, Tench Tilghman, A. Bowie Davis and John Van Lear, Esquires, and sundry private Stockholders constituting a majority of the stock.

On motion, Governor Sprigg was appointed Chairman, and Thomas Turner, Secretary.

Governor Sprigg taking the chair.

The President of the Company, presented in behalf of the President and Directors, the following report, which was read by the Secretary.

(For report see printed copy accompanying.)

The report having been read, on motion, was referred to a committee of three, to wit:—A. Bowie Davis, J. L. Ransone, and James Swann, Esquires.

On motion the meeting was adjourned until to-morrow at 8 o'clock, A. M.

Tuesday, June 4th, 1844.

Pursuant to adjournment yesterday, the Stockholders met again this day. Present as on yesterday.

The Chairman have taken the chair.

Mr. Davis on behalf of the committee appointed yesterday, made the following report:

The Committee to whom has been referred the 16th annual report of the President and Directors of the Chesapeake and Ohio Canal Company with the accompanying documents, respectfully report, that they have given to the subject matters therein treated of, all the consideration which the limited time assigned them allowed.

The Committee fully concur in the views suggested in regard to the unquestionable expediency of an early completion of the Canal. This question is undoubtedly one of primary, and paramount importance. And the President and Directors exhibit a faithful watchfulness over the interest of the Company in keeping

it prominently in view. We believe as the public mind becomes more and more enlightened upon the subject, the difficulty of inducing such legislation on the part of the State of Maryland, and other parties interested in the company, as is absolutely necessary to its further prosecution, will be diminished. And to this end we respectfully recommend the printing of 1000 number of copies of the report for general circulation.

The considerations offered in reference to certain improvements on the line of the canal are worthy of approbation.

The condition of the company during the latter part of the year 1843, was certainly of an unexampled and embarrassing character; and the board of President and Directors, in the opinion of the committee, are justly entitled to the commendation of the Stockholders, for the energy and ability with which they were met, and surmounted. They are however so lucidly set forth in the report itself, that we do not deem it necessary here to enlarge upon them.

It is true as therein stated the balance reclaimed from the Messrs. Baring, Brothers & Co., of London, came to the company at its time of greatest need. In that negotiation the board recovered from apparent loss the large sum of £19,506 5*d* Sterling. The vigilance displayed by the President, who conducted the negotiation on the part of the company in clearly demonstrating and enforcing the rights of the company is entitled to especial commendation.

As the accounts of the company are very numerous and a particular examination of them would require much time, we respectfully recommend that a committee of three resident stockholders be appointed to take that duty in charge.

All of which is respectfully submitted,

(Signed,)

{ A. B. DAVIS,
J. SWAN,
JAMES L. RANSONE.

The report was read and on motion the same was adopted.
